

SHANDIZ MOSLEHI

Associated professor, Department of Health in Disasters and Emergencies, Iran University of Medical Sciences, Tehran, Iran
Health Management and Economics Research Center, Health Management Research Institute, Iran University of Medical Sciences, Tehran, Iran

Moslehi.sh@iums.ac.ir

EDUCATION

- PhD** Tehran University of Medical Sciences, Health in Disasters and Emergencies 2016
Dissertation: “Effectiveness of International Humanitarian Assistance in Natural Disasters”
Committee: A. Ardalan, W.L. Waugh (chair), A. Akbarisari, D.C. Tirone
- PhD** Islamic Azad University, Health Services Administration 2013
Dissertation: “Designing a Performance Measurement Model for Iranian Health Centers”
Committee: S.J Tabibi (chair), M.R Maleki, M.R Gohari
- MS** Shiraz University of Medical Sciences, Health Services Administration 2008
Thesis: “The Efficiency of General Public Hospitals in Fars Province”
Advisor: N. Hatam
- BS** Shiraz University of Medical Sciences, Health Services Administration 2005

HONORS AND AWARDS

- Awarded Student in Research Activities, Shiraz University of Medical Sciences 2002

- Awarded Student in Research Activities, Shiraz University of Medical Sciences 2003
- Awarded Student in All Activities (Education, Research, Sports and Art), Shiraz University of Medical Sciences 2004
- Awarded Student in Iran, Iran Ministry of Health 2004
- Awarded Woman, Shiraz University of Medical Sciences 2005
- Awarded Student in Higher Education Students, Shiraz University of Medical Sciences, Shiraz, Iran 2007
- Awarded Student in All Activities (Education, Research, Sports and Art), Shiraz University of Medical Sciences 2008
- First Place in Doctoral Entrance Exam, Islamic Azad University, Tehran, Iran 2008
- Research Grants 2019
- Research Grants 2020
- Research Grants 2021
- Awarded Professor, Vosough Festival, Iran University of Medical Sciences 2021

TEACHING EXPERIENCE

Shiraz University of Medical Sciences, Shiraz, Iran 2005 to 2007

School of Health Services Administration

- Taught Budgets, Organization and Management, Hospital Management; an undergraduate course averaging 20 students per semester
- Developed quizzes, exams, and homework
- Lecturing and group works

Tehran University of Medical Sciences, Tehran, Iran 2008 to 2014

School of Allied Medical Sciences

- Taught practical courses in hospitals; an undergraduate course averaging 20 students in Health services administration per semester

- Developed quizzes, exams, and homework
- Lecturing, role playing and group works

Tehran University of Medical Sciences, Tehran, Iran

2011 to 2016

School of Public Health

- Taught Scientific Writing Workshops; a workshop for averaging 30 students in PhD, MPH & DHMR in disaster and emergency health
- Developed quizzes, exams, and homework
- Lecturing and group works

Iran University of Medical Sciences, Tehran, Iran

2015 till Now

Health Management and Economic Research Center

- Taught Performance Management; Human Resource Management in Health Services; a course for talented students in National Olympiad
- Developed course materials, the syllabus, quizzes, exams, and homework
- Lecturing and group works

Iran University of Medical Sciences, Tehran, Iran

2016 till Now

School of Management

- Assistant Professor
- Taught Natural Hazards, International Humanitarian Assistance in Disasters, Disaster Epidemiology, Public Health in Disasters, Risk Communication Management in Disasters, Climate Change and its Effects on Health, Disaster and Emergency Management, Policy-making in Disasters.
- Developed course materials, the syllabus, quizzes, exams, and homework
- Lecturing and group works

THESES AND DISSERTATIONS

1. Preparedness for chemical incidence in Namin industry, MPH
2. Design a tools for measuring socio-cultural factors predicting the occurrence of traffic accidents, PhD
3. Providing a preparedness model for sexual violence in natural disasters for Iran, PhD
4. Providing emergency department simulation model in emergencies and disasters in Iran, PhD
5. Hospital preparedness model in biological hazards for Iran, PhD
6. A model for emergency medical system in chemical disasters for Iran
7. Empowerment of volunteer nurses in natural disasters

PUBLICATIONS

Books

- Performance Assessment of Department of Development and Planning Resource Management (Concepts, principles and guidelines for the assessment), 2012 (cooperation) [In Persian]
- Rules and Regulation of Public Private Partnership (For Medical Universities), 2015 [In Persian]
- Managers Skills (Managerial and Psychological), 2014 (cooperation) [In Persian]
- Health in Disasters and Emergencies (Comprehensive Book) [In Persian]
- Risk Communication in COVID-19 Pandemic, 2020 (cooperation) [In Persian]

RESEARCH FUNDING/ GRANTS

- The Challenges of Covid-19 Vaccination among Refugees; A systematic review, Funded by School of Health Management and Information Sciences, Iran University of Medical Sciences, Tehran, Iran, 2022.
- Viewpoints of Health in Emergencies and Disasters Students and Graduates toward an accountable education, Funded by Semnan University of Medical Sciences, Semnan, Iran, 2022.
- Promotion of Virtual Education by Holding Student Festival of E-Content Development, Funded by Ministry of Health, Nasr, Tehran, Iran, 2021.

- Investigation on disaster management cycle in COVID-19 pandemic with focusing on flood occurrence, Funded by Semnan University of Medical Sciences, Semnan, Iran, 2021.
- Challenges and barriers of humanitarian hygiene kit management in recent disasters in Iran, Funded by Semnan University of Medical Sciences, Semnan, Iran, 2021.
- Challenges of Reproductive Health management in the Camps of Internally Displaced Persons: A Systematic Review. Funded by Health management and economics research center, Iran University of Medical Sciences, Tehran, Iran, 2020.
- Assessment of Social Vulnerability to COVID-19 in Semnan Province. Funded by Semnan University of Medical Sciences, Semnan, Iran, 2020.
- Foresight of Health Management in Iran. Funded by Ministry of Health, Nasr, Tehran, Iran, 2020.
- Survey of Over Triage of Trauma Patients and Its Costs: A Retrospective Study. Funded by School of Health Management and Information Sciences, Iran University of Medical Sciences, Tehran, Iran, 2020.
- Investigating the Challenges of the Services offered to Cardiovascular Patients in COVID 19 Epidemic in Iran. Funded by Health management and economics research center, Iran University of Medical Sciences, Tehran, Iran, 2020.
- Challenges of the Services offered to Cardiovascular Patients in Natural Disasters. Funded by Health management and economics research center, Iran University of Medical Sciences, Tehran, Iran, 2020.
- Investigation of Skills and Knowledge Gaps in Health Services Management Students. Funded by Ministry of Health, Nasr, Tehran, Iran, 2020.
- Emergency food aid challenges in natural and manmade disasters: A systematic review. Funded by Semnan University of Medical Sciences, Semnan, Iran, 2019.
- Effect of Extreme Event of Heat and Cold on Cardiovascular Diseases: a Systematic Review. Funded by Health management and economics research center, Iran University of Medical Sciences, Tehran, Iran, 2019.
- Economic evaluation of different methods of male infertility treatment: A systematic review. Funded by School of Health Management and Information Sciences, Iran University of Medical Sciences, Tehran, Iran, 2019.
